Water Resistance

Not applicable

Technical Data Sheet

Giorgio Graesan GIOIA

Effective from 30 May 2019

Pot Life Once opened, use within 12 months. Store in a cool, dry and well ventilated place, away from sources of heat and from direct sunlight

Substrate Conditions

Substrate must be installed as per manufacturer's specifications prior to application

Substrate must be clean and free of dust, dirt, oil, salt, mould or any other contamination

Any base coats should be fully cured

For full details on application for each substrate refer to the Giorgio Graesan Specification and System Guide

Mixing

Gioia is pre mixed and comes ready to use. If tinting the product, add the required quantity of coloured tint and mix thoroughly

Application

Apply Gioia with a roller or brush, ensuring full, even coverage of the surface area.

Precautions and Limitations

Adequate PPE should be used when mixing and applying product

Do not apply if the temperature will fall below 5°C or above 35°C during application.

Do not apply in direct sunlight, wind or rain and protect the finished work until fully cured
